About BioSync

The body, mind and spirit are interconnected components of whole health. One's optimum health potential will be reached only when a "balance" exists between these three components. Pain and disease are often "symptoms" which result from imbalance in our lives. This form will aid us in discovering symptoms which may be related to imbalances in your life. Even those who are in need of more specialized medical intervention will often benefit from the addition of *BioSync* health care.

The Bod	The Body The Mind		k	
Yes / No	Do you exercise regularly?	Yes / No	Do you often feel rushed?	
Yes / No	Do you eat properly?	Yes / No	Do you easily lose your train of thought?	
Yes / No	Do you consume alcoholic beverages?	Yes / No	Are you critical of yourself?	
Yes / No	Do you consume caffeinated beverages?	Yes / No	Is it difficult to shut off or slow your thoughts?	
Yes / No	Do you smoke?	Yes / No	Are you intolerant of other's mistakes?	
Yes / No	Difficulty sleeping or falling asleep?	Yes / No	Do you prefer to be in control of situations?	
Yes / No	Are you taking any prescriptive drugs?	Yes / No	Is it difficult to motivate yourself?	
Yes / No	Do you take vitamins or natural remedies?	Yes / No	Do you blame others for your feelings?	

Whether we are religious or not, believe in God or a Higher Power or not, our religious or spiritual roots often have profound influences on our lives. Recent studies have demonstrated how our faith and spiritual practices affect our health. However, we also recognize that faith, religion and spiritual practices are very personal in nature. You are free to omit any question that you do not wish to answer.
