<b>NOTE: Revenue and Expenses are approximated and are based on a 4 student minimum workshop. There is also a maximum 8 student cap per workshop to maintain the boutique teaching atmosphere.</b>	<b>NOTE: This workshop includes a 2 day pre-training prior to the start.</b>	<b>NOTE: Those that have taken the Advanced and/or Masters workshops will organize 2 workshops at this Co-Op Share which includes a 2 day pre-training prior to the start of the first workshop. One time mat and cane expenses as well as expenses for the pre-training days must also be calculated.</b>	<b>NOTE: Additional workshops may be required if the Apprentice does not demonstrate the necessary Instructor skills for a teaching certification.</b>	<b>NOTE: All administrative duties will remain the responsibility of the BioSync Research Institute including the distribution of manuals and dually signed practitioner certificates.</b>
<b>All terms subject to change at BioSync Research Institute discretion.</b>
